

Hajj Package 2018

Assalamu'alaikum Warahmatullahi Wabarakaatuh

Introduction

El Makay has carefully curated its Hajj package utilizing over 20 years' experience of Hajj travel, to bring you our unique package.

Our established Hajj package aims to not only fulfill the compulsory duties of Hajj, but also seeks to provide the most befitting facilities and comfortable experience for each and every pilgrim, to make (each challenge on) this journey as smooth as possible.

Planning & Preparation

Peace of mind is something very important to us. That is why with every booking, we will begin preparing you for your journey of a lifetime. We will do this by meeting you in person where you will have a chance to ask us any questions and alleviate any concerns you may have regarding Hajj.

Additional to this, we host a pre-Hajj seminar two week before departure, where our dedicated team of experts will talk you through how to spiritually prepare for Hajj, as well as the step-by-step itinerary. There will be an opportunity for you to ask any questions you may have, as well as meet the rest of the group you will be travelling with.

Support during Hajj

Unique to our Hajj tour, Mr El Makay, the founder of the company travels alongside our friendly group leaders with the group for Hajj year on year, ensuring the high level of support is maintained throughout the journey.

Our group is also accompanied by a highly respected religious scholar (Imam), who will give sermons each night after Isha prayer.

Community

A sense of community is important to us at El Makay. We have been lucky enough, that throughout the years of Hajj, strong and lasting bonds have been formed between pilgrims and group leaders. The feeling of kinship is paramount to our experience, and this is helped by having a multi-lingual Imam at the center of the nightly sermons, which help bring us closer to Allah and each other.

The Package

Our 2018 Hajj package is better than ever. We have taken suggestions and further developed our package to best suit your needs. Feedback from our trusted clients over the years has contributed to the best value for money, 5 star, non-shifting package on offer in the UK.
